

Landscape Gardener - Fulltime, Seasonal

Fairwinds Golf Club in Nanoose Bay is looking to add a team member to the Course Maintenance Department and is currently accepting resumes for the position of Landscape Gardener/Seasonal Greenskeeper. This is a full-time position of approximately 35-40 hours each week from April to October. Must be available to work early mornings (start time as early as 5:30am), weekends and statutory holidays.

Under the general direction of the Superintendent and/or Landscape Supervisor the successful candidate will be able to provide the following:

Responsibilities: In addition to some responsibilities listed for the position of Greenskeeper:

- Maintain and prepare plant beds for annual and perennial flowers, shrubs, trees and other plants to enhance the beauty and appearance of the golf course property
- Carry out the appropriate pruning, trimming, root feeding, weed and pest control in monitoring the health and vitality of ornamental plants
- Safely operate mechanical and power equipment utilized in the maintenance of ornamental plants, trees and turf areas.

Job Qualifications:

- Previous related experience in landscape maintenance & horticulture an asset
- The ability to work alone, follow oral and written directions
- Ability to operate equipment and tools used in landscape maintenance
- Effective communication
- Physical ability to perform all related duties in a variety of working conditions, specifically adverse weather.
- Posses a valid BC Drivers license
- Ability to maintain a co-operative working relationship with other workers, supervisors and the public.

Please email resumes, or fax them to 250-468-7498. We thank all applicants for their interest, however only those selected for an interview will be contacted. Closing date for applicants will be March 15.
