CLASS DESCRIPTIONS

Spin & Mobility (L2-3)

Spin and mobility is the best of both worlds. This class focuses on strengthening the core, gluteal, and leg muscles through a fun and effective mix of cardio, strength and exercises that target the core and lower body.

Strong For Life (L1-3)

With simple, safe, and effective exercises set to motivating music, this class helps you build strong, functional muscles. Using dumbbells and other equipment, you will develop balanced strength and power throughout your body. Build lasting strength for vitality and longevity.

Interval Training (L2-3)

This energetic class alternates short intervals of cardiovascular training with upper and lower body conditioning for a fun, challenging workout that boosts endurance. Steps are incorporated to keep the workout dynamic and engaging.

Pilates (L1-3)

This introductory Pilates class teaches you the fundamentals to practice safely and confidently. You'll learn how to set up each exercise and progress at your own pace. Pilates not only strengthens but also improves posture, flexibility, joint mobility, focus, concentration, and coordination. Core strength is the foundation of Pilates, providing stability throughout the entire torso. No experience required.

Gentle Yoga (L1-2)

Whilst being methodical with movement and preforming less intense positions. Gentle Yoga puts an emphasis on breath work, leaving time for semi-meditation. At the same time as finding your range of motion in a much gentler way.

Power Fusion (L2-3)

This dynamic class combines elements of yoga, floor Pilates, muscular conditioning, and calisthenics to provide a comprehensive workout that strengthens and contours your body. Each session is designed to engage multiple muscle groups, promoting not only physical strength but also flexibility and balance.

Total Body Tone (L1-3)

Total Body Tone is a comprehensive strength class designed to sculpt and tone every major muscle group, including your core. Throughout the session, you'll use weights to perform a variety of exercises that promote strength, stability, and endurance.

Pilates - Strength, Stretch, Stability (L1-3)

Enhance your strength, flexibility, and balance with combined, controlled movements and focused breathing to improve core strength, posture, and overall mobility. Whether you're looking to build stability, increase flexibility, or simply move with greater ease, this class offers a well-rounded approach to body awareness and functional movement.

Spin & Upper Body RX (L2-3)

Take care of your Cardio and Leg Strength with 30 minutes of Spin and then give your upper body a "prescriptive" 30-minute workout with weights and/or other equipment targeting your Biceps, Triceps, Back, Chest, Core and Shoulders.

Aquacize (L1-3)

This water-based class provides a full-body workout that's easy on the joints, making it ideal for all fitness levels. Using water resistance, Aquacize helps improve cardiovascular fitness, build muscle strength, and enhance flexibility—all while being gentle on the body. Enjoy a refreshing, energizing session that's perfect for anyone looking to stay active and fit.

Stretch 'n Tone (L1-3)

Combining strength and mobility, this class takes a holistic approach to hip, hamstring, and core health. Using weights, resistance bands, and bodyweight exercises, it incorporates controlled movements to improve muscle endurance while sculpting and toning the body.

Flow Yoga (L2-3)

A dynamic yoga practice designed to build strength, balance, and inner awareness. This class encourages self-exploration of body, mind, and spirit, with a focus on breath as you flow through poses that challenge balance, strength, and flexibility.

Strong Foundations (L1-3)

This dynamic circuit training class is specially designed for individuals over 40 who want to build strength, improve balance, and boost overall fitness.

Held in a supportive yoga studio environment, this class combines functional movements with a variety of equipment to challenge your body and mind. This class emphasizes proper alignment and mindful movement to help you create a strong foundation for an active and healthy lifestyle.

Whether you're new to fitness or looking to complement your yoga practice, Strong Foundations is accessible to all levels and aims to leave you feeling empowered and energized.

Rise & Shine Yoga (L1-3)

A morning vinyasa flow designed to wake up the body, boost energy, and set a positive intention for the day.

Abs, Butts & Thighs (L1-3)

A lower-body and core workout designed to tone abs, lift glutes, and strengthen thighs using controlled, effective movements.

Yolates (L1-3)

A hybrid fitness class that combines the core-strengthening principles of Pilates with the flexibility and mindfulness of yoga. The program focuses on strengthening the abdominals, spine, inner and outer thighs, and glutes through structured mat work. By blending breath work, controlled core conditioning, and lengthening yoga stretches, Yolates delivers a balanced workout that promotes muscular tone, improved mobility, and a mindful movement experience.

LIHIIT (L1-3)

LIHIIT (Low Impact, High Intensity Interval Training) is based around alternating short bursts of intense, all-out exercise with low-intensity recovery periods. These efficient fast-paced workouts maximize calorie burn, improve cardiovascular health, and increase metabolism. Designed to improve strength, endurance, and overall fitness. With a mix of cardio and weights around 45-50 seconds of work and 10-15 seconds of rest and transition, this class will provide a good cardio workout without any jumping. Beginning with a warmup and ending with a nice stretch. The alternating cardio and weights in this class offers a full body workout with aerobic, upper body, lower body, and core benefits.
